Favorite clothes

Zoe Henning is a model. She's 23 and lives with her parents in New York City, but she works in lots of different cities. Last week she was in London, and this week she is in Tokyo.

In the photo, Zoe is working at a fashion show in Paris. She's wearing a black and white dress and high heels. "I love wearing designer clothes when I'm working. They look really good!" says Zoe. "The designers usually give us some clothes after the show, so I have lots of designer clothes at home."

But in her free time, Zoe doesn't wear designer clothes. "They aren't as comfortable as ordinary clothes," she says. She usually wears an old pair of jeans, a T-shirt, a baggy sweater, and sneakers. "When I go out with my friends, I sometimes wear a nice dress or a smart jacket, but they are never designer clothes."
